# LifeCHARGE

## 4 port AC Adapter
### with PD3.0 Technology

- Type C 2.0/3.0 PD3.0
- Smart Charge
- Quick Charge
- HUB (data transfer)

## Product Description

Equipped with Smart and Quick Charge technology, 4 Port Hub Charger automatically detects your device and provides an ample and stable charging current. Device supported include iPhones, iPads, Tablets and all other smart phones and devices with USB charging interfaces. Up to 4 devices can be charged simultaneously. With quality, fire-resistant material construction and built-in short circuit protection in case of current, voltage or temperature overload, the hub provides a safe, fast and simple charging solution for all of your USB compatible devices.

Charging/Data transfer Switch

Smart Charging port
HUB port
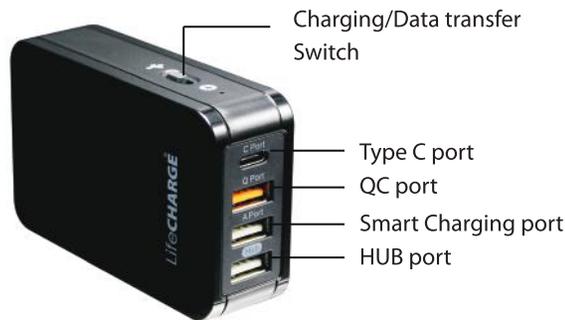

## input-output Specifications

Input: AC 100-240V 50/60HZ 1A
Output: Type-C*1 + QC3.0*1 + smart USB*1 + Hub*1, 8A/40W Max
QC3.0: 3.6V-6.5V/3A 6.5V-9V/2A 9V-12V/1.5A

**Type-C Compatible models:**
5V/3A, D+/D- short together
Type C PD: 20V/1A, 14.5V/1.4A, 12V/1.5A, 9V/2A

**Quick Charge 3.0 compatible:**
QC2.0: 9V2A, 12V1.5A
QC3.0: 3.6-6.5Vdc/3A, 6.5-9Vdc/2A, 9-12Vdc/1.5A

**Standard USB-A (Smart) Port:**
5Vdc/2.4A
D+/D- iPad 2.4Asetting
D+/D- Auto identify: iPad 2.4A/iPhone 6S plus 1.6A charging

**Standard USB-A port (HUB):**
5V/2.4
D+/D- Samsung 1.6A Setting
D+/D- Auto identify: iPad 2.4A/iPhone 6S plus 1.6A charging

---

- Charging switch: Convert the hub port between charging ⚡ and hub ⬇ function.
- When switch being turned to hub ⬇ it will allow data transfer between devices connected through Type C port and hub Port. The hub port can support charging at 5V/0.5A-1A.
- When switch being turned to charging ⚡, the hub can support charging current up to 5V/2.4A.
- When the switch being changed, re- connect the device to the hub port to activate the function.
- Adapter indicates Orange light when Type C PD3.0 OR Quick Charge 3.0/2.0 port is in charging mode.
- Qualcomm Quick Charge 3.0: The world's fastest USB charging technology provides up to 4x faster speeds - charge compatible devices from 0% to 80% in just 35 minutes.
- The AC adapter doesn't support QC and PD charging simultaneously.
- CE/RoHS/FCC and QC3.0 Certifications.

## About Smart Charging

Device charging time and speed is critical. USB Hub Charger is enhanced with a smart charging feature that detects the specifications of your connected device and supplies the best corresponding current. When you connect and scan the device to define charger, it will automatically detect and scan the device to define the maximum current. The output current if the hub charger will adjust in order to provide optimal charger speed and performance.
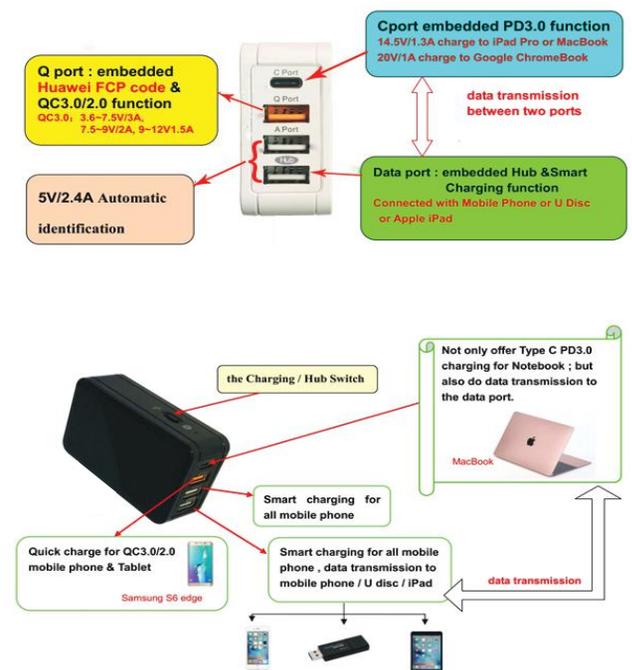

## Data transmission

1. Connect Type C PD3.0 port to your Mack Book and AC Adapter using Type C to Type C cable.
2. Connect Your other device to USB Hub port.
3. Slide the switch to data transfer mode.

**Note:**
1. Apple devices do not support Qualcomm Quick Charge but will accept a standard USB charge
2. Use your original cable, or a certified (such as MFi) third- party cable for the best performance.

### AC adapter embedded PD3.0 & QC3.0/2.0 & Hub function

Q port : embedded Huawei FCP code & QC3.0/2.0 function
QC3.0: 3.6~7.5V/3A, 7.5~9V/2A, 9~12V1.5A

5V/2.4A Automatic identification

Cport embedded PD3.0 function
14.5V/1.3A charge to iPad Pro or MacBook
20V/1A charge to Google ChromeBook

data transmission between two ports

Data port : embedded Hub &Smart Charging function
Connected with Mobile Phone or U Disc or Apple iPad

Not only offer Type C PD3.0 charging for Notebook ; but also do data transmission to the data port.

MacBook

the Charging / Hub Switch

Smart charging for all mobile phone

Quick charge for QC3.0/2.0 mobile phone & Tablet
Samsung S6 edge

Smart charging for all mobile phone , data transmission to mobile phone / U disc / iPad

data transmission

## Limited one-year warranty

All LifeCHARGE products grant the original purchaser a one-year limited warranty against all defects of material and craftsmanship.This warranty goes into effect beginning on the date of shipment and remains in effect for one full year thereafter as long as the LifeCHARGE product is normally and properly used. If the original purchaser discovers such a defect in the product during the warranty period, LifeCHARGE will, at the company's sole discretion, either
1) repair or replace the product free of charge with a new or remanufactured version or
2)refund the original purchaser a sum equal to the current market value of the product.
To take advantage of the warranty, the LifeCHARGE product must be returned within the warranty window along with the following documentation:
1) Copies of both the original purchase receipt and the bill of sale containing the original LifeCHARGE serial number as proof of purchase;
2) A return authorization number issued by a returns department;
3) Your name, address and phone number; and
4) A detailed description of the problem.
The cost of returning the product to LifeCHARGE is the responsibility of the customer.

**Note:** This warranty becomes null and void if the LifeCHARGE product is misused and/or is returned to us damaged as a result of being abused, missed or misapplied. It also does not cover accidental damages, products that have been modified by the user or products on which the original LifeCHARGE serial code has been defaced or erased.

**Note:** This warranty does not extend to unauthorized third-party sales of discounted LifeCHARGE products and/or counterfeits. By purchasing such discount products from an authorized seller you waive all rights stipulated herein. To protect our customers against counterfeits, we encourage them to purchase their LifeCHARGE either directly through the LifeCHARGE website or from one of our authorized retailers.

## Service Non-Working Purchase

A newly purchased LifeCHARGE product may, very rarely, come to the purchaser dead on arrival. Please be aware that we endeavor very hard to avoid such issues but understand that they unfortunately arise from time to time. To protect our customer against non-working LifeCHARGE products, we offer a 15-day window during which a DOA LifeCHARGE product may be returned to the place of original purchase with a valid receipt.

## Customer Warning

Backing up of all data prior to returning any LifeCHARGE product for repair or replacement is the sole responsibility of the customer. We release ourselves of any responsibility for the integrity of the customer's data while in our hands and will not be held liable for any data loss while a customer's device is in our possession. Please take measures to securely package your LifeCHARGE product when returning it to us and ensure that the paper prepaid postage has been affixed. Postage-due packages will not be accepted.

## Customer Service

Thank you for recent purchase of our LifeCHARGE product. We hope you will be pleased with both the product and service you received. if not, please give our helpful customer service team an opportunity to improve your experience right away; our team members are more than happy to help.
