Limited One-Year Warranty

All LifeCHARGE products grant the original purchaser a one-year limited warranty against all defects of material and craftsmanship. This warranty goes into effect beginning on the date of shipment and remains in effect for one full year thereafter as long as the LifeCHARGE product is **normally** and **properly** used. If the original purchaser discovers such a defect in the product during the warranty period, LifeCHARGE will, at the company's sole discretion, either 1) repair or replace the product free of charge with a new or remanufactured version or 2) refund the original purchaser a sum equal to the current market value of the product. To take advantage of this warranty, the LifeCHARGE product must be returned within the warranty window along with the following documentation: 1) copies of both the original purchase receipt and the bill of sale containing the original LifeCHARGE serial number as proof of purchase; 2) a return authorization number issued by our returns department; 3) your name, address and phone number; and 4) a detailed description of the problem. The cost of returning the product to LifeCHARGE is the responsibility of the customer.

Service Non-Working Purchase

A newly purchased LifeCHARGE product may, very rarely, come to the purchaser dead on arrival. Please be aware that we endeavor very hard to avoid such issues but understand that they unfortunately arise from time to time. To protect our customers against non-working LifeCHARGE products, we offer a 15-day window during which a DOA LifeCHARGE product may be returned to the place of original purchase with a valid receipt.

Customer Warning

Backing up of all data prior to returning any LifeCHARGE product for repair or replacement is the sole responsibility of the customer. We release ourselves of any responsibility for the integrity of the customer's data while in our hands and will not be held liable for any data loss while a customer's device is in our possession. Please take measures to securely package your LifeCHARGE product when returning it to us and ensure that the proper prepaid postage has been affixed. Postage-due packages will not be accepted.
