- Weight: About 230G
- Playing Time: 11 hours (playing Bluetooth music only)
- Lighting Time: 5 hours on high brightness

(Note: Battery life will be reduced when the speaker and the light are both turned on at the same time.)

Calendar and Clock Setting
Click the clock setting button "△" on the bottom to activate the calendar and clock settings. The display will flash, indicating the current option being set in the order of year, month, day, and time. In each case press "△"-"○"-"△" to adjust to the right number. Press "△" to exit after setting each option.

Speaker Function
Bluetooth Mode
First turn on the speaker, then press and hold the "HiFi" button for 3 seconds to enter Bluetooth detect mode. The Bluetooth indicator character "BT" will flash rapidly for 10 minutes when in Bluetooth detect mode. During this time you should connect the Bluetooth speaker to your Bluetooth-enabled device.

Bluetooth Connection
Step 1: Open the Bluetooth setting on your phone or tablet and search for Bluetooth devices automatically.
Step 2: You have found the Bluetooth speaker when the screen displays the character "Smart Lamp," click on it in your device to pair the connection.
Step 3: Enter "0000" and click OK if there’s a prompt that requires you to enter a password.
Step 4: The phone or tablet will indicate when the pairing is successful. The "BT" character on the speaker’s display will stop flashing.

Music Playing
Open the player device when the connection is successful. Click to play music, and the Bluetooth speaker will play the music. You can operate the player with the buttons on the Bluetooth speaker: HiFi, Short press - "△" to play/pause.
Short press - "○" to play/pause.
Short press - "△" to play the next song and long press to volume up.

Bluetooth Hands-free Call
Answer and hang up the phone. There will be an alert sound from the speaker when there is a phone call. Click to answer the call, and click "HiFi" again to hang up.

TF Card Mode
Insert the TF card when the speaker is turned on. The speaker will enter itself into the TF card mode. It can play the music (MP3/FLAC/WAV format) from your TF card. You can operate the player with the buttons on the Bluetooth speaker:
- Short press - "△" to play/pause.
- Short press - "○" to play the next song and long press to volume up.
- Short press - "△" to play the previous song and long press to volume down.

In TF mode, the display can only show the playing time of songs and not the clock.

Lamp Function
Switch Slide the switch on the speaker base to turn it on or off. When the speaker is first turned on, the dimmer switch will be at its lowest level. You can adjust the lamp brightness by pressing the button on the speaker base.

Notice: The clock and alarm function are only available once the speaker is turned on. Turning off the speaker will preserve the battery life.

Alarm Setting
Click the alarm setting button "△" on the bottom to activate the alarm. The display will flicker to show which numbers are being changed. Click "△"-"○"-"△" to adjust the clock number you want to set; click "△"-"△"-"△" to change the minute number, then adjust the minute number you want, click "△"-"△"-"△", and then the alarm setting is finished.

Alarm On/Off Switch
Press the alarm switch button "△" on the bottom to turn on the alarm. The alarm symbol on the lower right corner will light up showing that the alarm is active. Pressing the button once more will deactivate the alarm.

Frequently Asked Questions

<table>
<thead>
<tr>
<th>Question</th>
<th>Solutions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Unsuccessful pairing and connection</td>
<td>1. Check the speaker and make sure it is in the searching state or within the speaker’s range. 2. Confirm that there are no other Bluetooth devices nearby. Turn off other Bluetooth devices. Turn off the Bluetooth device that was connected with the Bluetooth speaker last time and re-pair the speaker.</td>
</tr>
<tr>
<td>Malfunction or distorted sound</td>
<td>1. Check if the volume of your phone or speaker and adjust accordingly. 2. The battery is low. Please charge it.</td>
</tr>
<tr>
<td>Cheesy music play</td>
<td>1. Check if the device is beyond the effective connection range. 2. There may be an obstruction between the speaker and your device.</td>
</tr>
<tr>

Precautions
1. Please store and use the product in room temperature environment.
2. Do not expose the product to rain or wet conditions.
3. Do not drop or bump the product.
4. Do not disassemble, repair, or modify the product.
5. Please use the power charger with rated voltage for the speaker.
6. Hearing damage may result if playing music on high volume for a long time. Consider avoiding excessively high volume when playing music for a long time.
7. Disassembly of this product will invalidate the warranty.
Limited one-year warranty

All LifeCHARGE products grant the original purchaser a one-year limited warranty against all defects of material and workmanship. This warranty goes into effect on the date of shipment and remains in effect for one full year thereafter as long as the LifeCHARGE product is normally and properly used. If the original purchaser discovers such a defect in the product during the warranty period, LifeCHARGE will, at the company’s sole discretion, either:

1) Repair or replace the product free of charge with a new or remanufactured version or
2) Refund the original purchaser a sum equal to the current market value of the product.

To take advantage of the warranty, the LifeCHARGE product must be returned within the warranty window along with the following documentation:

1) Copies of both the original purchase receipt and the bill of sale containing the original LifeCHARGE serial number as proof of purchase;
2) Authentic warranty serial number issued by return department;
3) Your name, address and phone number; and
4) A detailed description of the problem.

The cost of returning the product to LifeCHARGE is the responsibility of the customer.

Note: This warranty becomes null and void if the LifeCHARGE product is misused and/or is returned to us damaged as a result of being abused, mishandled, or misapplied; it also does not cover accidental damages, products that have been modified by the user or products on which the original LifeCHARGE serial code has been defaced or erased.

Note: This warranty does not extend to unauthorized third-party sales of discounted LifeCHARGE products and/or counterfeit LifeCHARGE products. By purchasing such discount products from an unauthorized seller, you waive all rights stipulated herein. To protect our customers against counterfeits, we encourage them to purchase their LifeCHARGE either directly through the LifeCHARGE website or from one of our authorized retailers.

Other than this limited one-year warranty as set forth in the preceding paragraphs, all LifeCHARGE products are sold "as is" with all faults, including those related to merchantability, non-infringement and suitability for a specific purpose. LifeCHARGE also disclaims responsibility with respect to:

1) Product performance and results.
2) Appropriateness of the product for the consumer’s particular purpose.
3) The product being easy to assemble (refer to succeeding paragraph).
4) Loss of data resulting from using the product.
5) All such risk is expressly assumed by the consumer. The warranty set forth herein overrides all others be they expressed or implied.

Additionally, LifeCHARGE makes warranties that any of its products will be free of errors. Application of our warranty does not extend to any of the following situations:

1) Consumable parts, other than damages resulting from defects in materials or workmanship.
2) Superficial damage, including scratches, dents, nicks, broken parts and the like.
3) Damage resulting from use with non-compliant LifeCHARGE products.
4) Damage resulting from the product being abused, mishandled, or misapplied.
5) Damage resulting from acts of God such as flood, fire or earthquake.
6) Damage resulting from service performed by a non-LifeCHARGE representative.

Service Non-Working Purchase

A newly purchased LifeCHARGE product may, very rarely, come to the purchaser dead on arrival. Please be aware that we endeavor very hard to avoid such issues but understand that they unfortunately arise from time to time. To protect our customer against non-working LifeCHARGE products, we offer a 15-day window during which a DOA LifeCHARGE product may be returned to the place of original purchase with a valid receipt.

Customer Warning

Backing-up all data prior to returning any LifeCHARGE product for repair or replacement is the sole responsibility of the customer. We release ourselves of any responsibility for the integrity of the customer’s data while in our hands and will not be held liable for any data loss while a customer’s device is in our possession. Please take measures to securely package your LifeCHARGE product when returning it to us and ensure that the paper prepaid postage has been affixed. Prepaid-free package will not be accepted.

Customer Service

Thank you for your recent purchase of our LifeCHARGE product. We hope you will be pleased with both the product and service you received. If not, please give our helpful customer service team an opportunity to improve your experience right away; our team members are more than happy to help.
